

## VOCABULARY

### FICHA 11- More technical vocabulary

✓ Circle the correct definition for the following words or sentences:

- **OWN GOAL**

- a. A pass from the side of the pitch into the penalty area in an attempt to find an attacker and score a goal.
- b. A goal scored accidentally by a member of the defending team that counts in favour of the attacking team.
- c. A handicap awarded against a player or team for illegal play.

- **DEFEAT**

- a. A match in which a team is victorious and beats the other team. It normally gives the winning team three points.
- b. A match that ends in a tie, that is to say, has no winner or loser. The team gets one point each.
- c. A match that is lost, the opposite of a win. The losing team does not get any points.

- **DROPPED BALL**

- a. Method of restarting the play. It is designed to offer no advantage to either side, generally being awarded when the play has been stopped due to reasons other than normal.
- b. A defensive kick that is intended to put the ball out of danger.
- c. A kick taken by the defending team after the ball has been put over the goal line by the attacking team.
