

## VOCABULARY

### FICHA 12- VOCABULARY REVIEW

- **Circle the correct definition for the following words or sentences:**
  - **Match report**
    - a. Team list
    - b. Formal statement of the result and incidents of the match
    - c. License or permission granted by the national association to play a match.
  
  - **Friendly match**
    - a. Match which is generally played between two teams in the same region.
    - b. Match whose outcome is not recorded in the season's standing and whose impact on the team's rankings is either zero or very greatly reduced. This type of match is often used to help managers select players for the competitive matches of a tournament.
    - c. Match played among friends
  
  - **Counter attack**
    - a. An attack on the opposite team that has attacked you
    - b. Possession game based on short-passing combinations and off-ball movements
    - c. Use of excessive force or brutality against an opponent when not challenging for the ball
  
  - **Offside position**
    - a. Punishment given by the referee for a violation of the rules by the defending team inside its own penalty area. This punishment is most commonly given for fouls and handballs.
    - b. A player is in an offside position if he is in such a position as to be able to play or receive a ball legally. There must be two opposition players in front of an attacking player when the ball is played to him by a team mate.

- c. A player is in an offside position if he is closer to the opponent's goal line than both: the ball and the second-to-last defender, but only if the player is in his opponent's half of the field of play.

- o Circle the correct translation for the following words:
