

## VOCABULARY

### FICHA 11- More technical vocabulary

✓ **Circle the correct definition for the following words or sentences:**

- **OWN GOAL**

- A pass from the side of the pitch into the penalty area in an attempt to find an attacker and score a goal.
- A goal scored accidentally by a member of the defending team that counts in favour of the attacking team.
- A handicap awarded against a player or team for illegal play.

- **DEFEAT**

- A match in which a team is victorious and beats the other team. It normally gives the winning team three points.
- A match that ends in a tie, that is to say, has no winner or loser. The team gets one point each.
- A match that is lost, the opposite of a win. The losing team does not get any points.

- **DROPPED BALL**

- Method of restarting the play. It is designed to offer no advantage to either side, generally being awarded when the play has been stopped due to reasons other than normal.
- A defensive kick that is intended to put the ball out of danger.
- A kick taken by the defending team after the ball has been put over the goal line by the attacking team.
